Odoo bags Trends Gazelle Ambassador Award

In a rare feat kindling joy among the supporters of the free software world, Odoo, the internationally acclaimed suite of business management software tools, has bagged the prestigious Trends Gazelle Ambassador award for the year 2020 in the category of large companies in Walloon Brabant.

The latest recognition comes immediately after the winning stride in small and mid-sized categories in the previous years. The company officials say they are truly honoured for being the recipient of such a globally recognised accolade.

Expressing joy over the victory, they said the victory had really brought the business journey "full circle" and was a real testament of continuous growth.

They also thanked the whole Odoo community including trusted Odoo partners, workers and the loyal users across the globe.

Lauding the unique achievement, Cybrosys, Odoo Partner from Kerala said they were happy to congratulate Odoo at this wonderful moment. Cybrosys has contributed many apps for Odoo and it is a privilege for us to be part of Odoo, a platform for the trusted users across the world, they said. Cybrosys is happy to be the Gold Partner of Odoo. With the help of Odoo, Cybrosys has been serving many clients across the world, said Team Cybrosys. We all congratulate them for this remarkable achievement which was attained through constant efforts, hard work and cordial association with the partners across the globe," they said.

Comments about openPR

” Your portal is fast, simple, and easy to use. Others may have more functions but they also demand more editing time, you have to preformat the text in order to achieve a good result etc. I think openPR is really fantastic!
